You can start reaping the benefits of investing in the Brush Valley Regional Chamber of Commerce as soon as you join. You will be offered invaluable networking opportunities, as well as have your business interests constantly promoted by the Chamber. In addition to receiving meeting announcements, newsletters and other current Chamber information, your firm will be added to the Chamber's exclusive referral list. The list is used to refer your business to the many people that call the Chamber for goods and services. This referral list is also posted on the Chambers web page.
